About the Foundation

The Foundation is named for Kevin J. Hannaford, Sr., who was killed in the September 11, 2001, attacks on the World Trade Center in New York. We are keeping Kevin's memory alive and helping our community by continuing to assist local children, who have suffered the loss of a parent, pursue educational and enrichment opportunities. It is our hope that, through this gift, each child will develop into healthy, giving adult. We hope that you will join us this year as we remember Kevin and empower children.

Even though Kevin is no longer with us, his spirit will forever be alive.
