SAT/ACT COMBO PRACTICE TEST

Saturday, February 21

9:45 AM-2:00 PM

Join Kaplan for this FREE 3.5 hour Combo Practice Test that will help students decide which test is right for them. Students will receive results that compare their performance on each of the analogous test sections of the two exams—for example, SAT math section vs. ACT math section. This is a perfect opportunity to experience both tests. Results will be emailed to students within two weeks.

REGISTRATION REQUIRED. Please bring a calculator and you may bring a snack or bagged lunch to eat during the breaks. The lower level doors will be open for test takers starting at 9:30.

**To register, visit our website at
