

Spring Soccer Programs

Registration for FC Berna spring programs is now open.

This includes the In-Town programs (Cubs and Recreation) as well as the Academy. All three programs offer a great opportunity to play soccer.

Cubs is designed for our youngest players, from pre-K through 1st grade, with one training session and one game experience each week.

Academy is a more intensive training experience providing U7 and U8 players (1st and 2nd grade) with significantly more training and game time, aimed at developing players who love soccer and may have an interest in playing at the travel level.

Recreation is for players from 2nd through 8th grade, delivering one training weeknight and a Saturday in-town game.

More information and the ability to register can be found on the FC Berna website at

www.fcberna.com

Some programs have late fees, deadlines and wait lists, so act now!

For more information:

Cubs - look under the In-Town tab for Cubs information and email cubs@fcberna.com

Academy - look at the Academy tab and email academy@fcberna.com

Recreation - look under the In-Town tab for Recreation and email recreation@fcberna.com

To register: if you already have an account, programs for which your child is eligible will be found in their profile. You can log in and register from within your account. New players simply need an account or a profile to register.

Come out and join us this spring for some great soccer!!

Sincerely,
