

Summer Riding Workshops for New Riders

We are offering week long Summer Workshops for beginning riders from nine through seventeen years old. Students ride twice a day in lessons Monday through Thursday (Friday is one lesson and a special activity). The rest of each day is filled with learning and fun activities, such as crafts, grooming, horse costume classes and pony games. Themes vary by week. Hours are 8:30am until 1:30pm.

Lord Stirling Stable

Lord Stirling Stable also provides Summer Workshops for riders above the beginner level and group horseback riding lessons for adults and children over nine years of age. Please call 908.766.5955 for more information.
