

Benefit Concert for Christine Wang

Friday, June 19th , 7pm

WAMS Auditorium

Christine, a senior at Ridge High, has shared her joyful spirit and sincere care for everyone she knows while captaining the women's tennis and golf teams, serving as associate concertmaster in the orchestra, and working as a Principal's Honor Roll student. In March, Christine suffered a tragic brain aneurysm that has left her hospitalized. After multiple surgeries, she is on the long and challenging road to recovery.

Dedicated Ridge High and William Annin music students will present a benefit concert in Christine's honor. Please attend to support the Wangs and Christine's continuing recovery.

Free admission

Donations encouraged
