

Adult Summer Tennis

Adult Foundation Tennis (Beginners): *Adult Foundation Tennis classes follow developmental curriculums and guidelines laid out by the USTA. Designed for players with little or no previous experience, participants will learn the basic fundamentals in stroke production, court movement and footwork, in a low pressured, yet energetic environment. Most importantly, it's all about having fun and taking the time to enjoy a social, healthy, lifelong sport.*

Adult Development Tennis (Intermediate): *Adult Development Tennis classes are ideal for any player that holds previous playing experience and a sound knowledge of the game. Participants will focus not only on skill refinement, but tactical strategy in both the singles and doubles game. Each session is designed to be engaging, social and challenging, providing plenty of opportunities to showcase skills in match play activities.*

Cardio Tennis: *Cardio Tennis is one of the most recent fitness initiatives to hit the US. All activities within the class are designed to raise your heart rate into the aerobic training zone, providing a whole body work out and burning optimal calories, all while improving your basic tennis skills. No tennis playing experience is necessary to join this class.*
