General Information

Mission

The Mission of the After School Care Program is to provide all children quality care in a safe, recreational environment that fosters mutual respect and offers children a variety of choices of developmentally appropriate and interest-driven activities.

Schedule

The Program is offered to William Annin students as follows on days when school is in session:

- 2:20 pm – 6:00 pm

On abbreviated schedule days the Program will begin immediately at dismissal. Please send a lunch with your child on those days as the cafeteria is closed. If your child is absent from school, you do not need to notify the Program. However, if your child attends school during the day but will not be attending the Program on a regularly scheduled day, please send a note to your child's teacher. Your child must be present at dismissal in order to attend the Program. The Program does not run on the days that schools are closed. If your child needs to attend on a day when they are not normally scheduled, please provide 24 hour notice.

Program

The Program will provide the opportunity for children to participate in a variety of active and quiet recreational and educational activities. Children will be grouped as closely as possible by grade, and will have the opportunity to spend some time completing homework assignments.

Pickup Procedures for the Release of Children

- Only parents/guardians listed on the application are permitted to pick up your child.
- If another person will be picking up your child, please submit a Release Permission Form to the Director. The person will be asked to provide a photo ID.
- If a child remains past 6:00 pm, the staff members will attempt to contact the parent/guardian phone number listed on the application. The emergency contact will then be notified. There will be an additional charge of \$10 for each 10 minute period beyond 6:00 pm.
- Your child must be signed out, they are not permitted to leave school grounds alone.

If you are going to be late, you may call 908-204-2610 ext. 139

Tuition

A registration fee is due with your registration packet in the amount of \$25 per child not to exceed \$50 per family. Monthly tuition is due the 15th of the prior month. This will enable the Director to schedule appropriate staff. Your September tuition will be due on August 15th. You can mail your tuition to Bernards Township Board of Education, 101 Peachtree Road, Basking Ridge, NJ 07920 Attn: Cherie Ackerman.

Tuition is payable in monthly installments. There is no prorating. There will be a late fee of \$10.00 for payments not received by the last day of the prior month. If tuition is not received by the first day of the month for which you are paying, your child will not be allowed to attend the program. In the event a check is returned by the bank due to insufficient funds, a \$35 service charge will be imposed. Tuition is non-refundable. In constructing our school calendar, we have already taken into consideration the holidays that school is not in session and have computed three (3) weather emergency days into that calendar as well. Your monthly tuition payment is based upon the average number of school days per month, and does not change based on actual school days per month. This is similar to an annual tuition bill you would receive from a private school or care provider. You make the same payment whether or not there is a school holiday or weather-related closing in a particular week. We will only cancel school due to an extreme weather condition. We are very sensitive to the fact that you have an obligation to get to work. We are committed to meet your needs and will continue to make that our priority.

Early Dismissals due to Weather or Other Emergency

There will be no After School Care. You will be responsible to pick up your child/children at dismissal, and will be notified by the Instant Alert System after the Superintendent has made a decision to close school early. The decision will be made by 10:30 am. The schools will be dismissed at 11:00 am. If you are concerned with weather conditions, you may pick your child up earlier than 11:00 am.

Student Absence

Because our costs remain constant throughout the school year, we cannot reduce your tuition payment if your family takes a vacation or if you choose to keep your child home for any reason.

Administration of Medication

A nurse is not on staff during the After School Care Program. Program staff may not administer medications. If your child requires medication during those hours, please arrange for the administration at home in the morning, or by the school nurse near the end of the school day. In emergency medical situations, such as seizure disorders, the Program staff may call qualified emergency personnel to attend to your child.

Code of Conduct

We encourage appropriate behavior by our students whether they are in school or in our After Care Program. In the event that unacceptable behavior is exhibited, parents will be contacted by Program staff. If the behavior is continual, the student may be removed from the Program.

Thank you for entrusting your child to our care. We are committed to providing a safe and enjoyable program. Please let us know if you have any questions or concerns.
