School Climate Survey - School Staff Ridge High School		2017 DOMAIN SCORE RESULTS	
DOMAIN	**DOMAIN DESCRIPTION**	**DOMAIN SCORE**	**DOMAIN SCORE DISTRIBUTION (in deciles)**
Physical Environment	This domain addresses scheduling, the use of the building, and attitudes toward the building.	55.1	Teaching and Learning	This domain focuses on the academic climate of the school and probes support for student development, levels of instructional challenge and relevance, and attitudes about "ownership" (i.e., a sense of personal responsibility for teaching and learning and personal pride in successfully achieving academic objectives) by students of learning and teachers of teaching. It also includes general attitudinal measures of satisfaction with the school's overall instructional quality.	65.2	
Morale in the School Community	This domain addresses "pride of place" as ownership and identification with the school's central character, as well as a call to all stakeholders for "belonging" to the school.	66.4	Relationships	This domain assesses the degree to which lines of interpersonal communication are open and honest and produce healthy, positive outcomes. This includes an assessment of the depth, sincerity, and authenticity of communications efforts.	63.8	Parental Support and Engagement	This domain is concerned with the degree to which parents and community members are incorporated into both the social and academic life of the school. This includes assessing the efficacy of school-home communications and an assessment of the degree of home support for learning.	75.3	
Safety	This domain addresses attitudes toward the individual's sense of physical safety in and around the school.	86.7	Emotional Environment	This domain addresses attitudes toward the social environment. This includes perceptions of how the average student ought to, and does, behave, as well as the general fairness of the school.	57.0	Administration Support	By considering the school as a "common cause," this domain assesses the school leadership's perceived ability to support and rally the school community to healthy and positive outcomes in terms of quality of communications, level of integrity, and ease of teamwork, as well as the promotion of professional and academic success.	57.5

- I don't understand and can't form an opinion about the unit lunch.
- I understand the unit lunch but I would really hate it if I could not enjoy the same level of food options we currently have.
- I understand the unit lunch and would not mind fewer food choices and nontraditional seating arrangements if I get the benefit of having all my friends in a single lunch period.
- I support the unit lunch concept no matter what if it means we can implement a rotating schedule where we only have 6 classes per day.
- I don't think switching to a rotating schedule where we only have 6 classes per day is a good plan so it is not worth changing to a unit lunch.
