

Girl Scouts.

We are currently organizing new troops and adding to existing troops for Fall 2014.

Any girl living in or attending school in Bernards Township is invited to sign up to become a Girl Scout in our town. Yes, typically girls start Girl Scouts as kindergarteners or first graders, but did you know that any girl can start or return to Girl Scouting in any grade if they are interested and if we have space in existing troops? **Please read this flyer in its entirety**, complete the form below, detach it, and return it **TODAY to the appropriate address below. (Placement is on first-come, first-serve basis.)**

We will add your daughter's name to the list of girls also interested. We try to build new troops that way. If there is space in a troop that has already formed, we will try to place your daughter in an existing troop. Please mark if you are requesting that your daughter join a troop only in her school or if you are willing to have her join a troop in another school here in our town. If your daughter is older, we'll take her name and information and reach out to troops to see if we can place her in an existing troop.

To all parents of potential Girl Scouts – We are always looking for enthusiastic, caring adults who would like to be a Girl Scout Leader or a Troop Volunteer! Often, this is the only way to build a troop. If you volunteer to be a Troop Leader, you will receive free training and can choose the meeting day, time & location. Most of our current leaders have full-time jobs outside the home and/or younger children at home. Come join the fun of being a Girl Scout leader and making a difference in the life of a Girl Scout!

I am willing to help in the following ways:
