

2011 Spring Art Exhibit

Picture by Samuel Hecht, Kindergarten

When: May 3rd - May 31st

Where: The Hallways of Cedar Hill School

What: An exhibit to showcase the entire student body's artwork from the 2010-2011 school year.

The Spring Art Exhibit is a culmination of projects that address the k-5 art curriculum. Let us celebrate the creativity of CHS students during art. The show will remain up for one month. Please take time to come see the hard work and imaginative creations of your children. Every child is an artist, so let us pay tribute.

"Good art is not what it looks like, but what it does to us."
