

# Cedar Hill School

## The Giving Tree

The Cedar Hill PTO Casino Night was a huge success with over 300 attendees, 150 silent auction items and over 100 basket raffles. We sincerely thank everyone for coming and hope you had a fabulous time.

The 2011 Benefit was an enormous success and we are thrilled to announce that, with the generosity of the Cedar Hill community, we raised **\$60,000** towards the renovation of the school's media center/library! With the \$30,000 remaining from the 2008 Casino Night we are just \$10,000 away from our \$100,000 goal.

To close the gap we are launching our Giving Tree Capital Campaign. A beautiful donor tree, engraved with contributor names, will be mounted on the brick wall outside of the media center/library. In addition, a plaque highlighting our Storytime Sponsors will be placed in the library in the storytime area. These will serve as lasting reminders that you, our supporters, have contributed to the transformation of a space where our children will foster a long-term love of reading.

### Contributor Levels

\$1000+:	Storytime Sponsor – Engraved name on a plaque in the storytime area
\$500-\$999	Gold Sponsor - Engraved <i>gold</i> leaf
\$250-\$499	Silver Sponsor - Engraved <i>silver</i> leaf
\$100-\$249:	Bronze Sponsor - Engraved <i>bronze</i> leaf

If you wish to help us reach our goal please submit this form, along with your contribution, in the enclosed envelope. If we raise more than \$100,000 we will move renovation plans previously designated as “phase 2” into “phase 1”. *Thank you!*
