

Ridge Girls Lacrosse Fundraising Clinic

Sponsored by the Ridge HS coaching staff and players

Instructional Clinics for 3rd through 8th grade girls

The clinic is open to all skill levels from beginner to the experienced player. The players will be divided by grade and skill level to ensure every girl is challenged and has the proper learning environment. The clinic will focus on stick work, defense, shooting, offense and basic game concepts for the beginners and develop defensive and offensive techniques and strategies for the more experienced player. The clinic will use drills and stations as well as create game-like situations to emphasize these skills.
