Dear Parents,

What could be more special than doing your part to keep Bernards Township beautiful?

The Township Committee established the Beautification Task Force in 2010, with the goal of ensuring the continuing beauty of our Township. One of our key initiatives for 2011 is the “Bernards Daffodil Project.” Through this project we are aiming to have all Township residents, schools, businesses and houses of worship purchase and plant the distinctive and deer-resistant “Flower Record” daffodil this fall, with the aim of blanketing the Township with the beauty of these flowers each Spring. Imagine the splendor of homes from the Hills to Basking Ridge center, township-owned land, schools and commercial areas all sprouting the same flower each Spring in a show of civic pride and commitment to our community. It certainly will be a sight to behold.

Please do your part and participate in this important project. The Bernards Beautification Daffodil can be ordered using the enclosed Order Form or online at <http://www.hollandbulbfarms.com/bernards>. Please also consider ordering bulbs to donate to the Township, to be planted on Township-owned land. Holland Bulb Farms, our partner in this project, has generously agreed to donate a portion of the proceeds from the Bernards Daffodil Project to fund future beautification projects in the Township.

Thank you for participating in this project, which will enhance the beauty of Bernards Township for years to come.
