

Ridge High School Forensics Team “Sell Your Gold”

The Ridge High School Forensics Team will sponsor a “Sell Your Gold” event on June 6th, 2011 from 2:30 p.m. through 6:30 p.m. at Ridge High School.

Director of Ridge Forensics, David Yastremski, states, “With gold bringing in such high prices, we thought we could build an event where members of the community can conveniently and easily sell their old, outdated, mismatched, or broken jewelry and receive **CASH ON THE SPOT** while supporting the Ridge Forensics team.”

Yastremski states, “The team benefits from the sale in that the seller will donate 15% of their profits back to the team. Community members will still receive the highest market price depending on weight, karat, and the daily spot price on June 6th. Other items, including silver and platinum, can also be priced and sold at the event.”

Bethany Badrawi, organizer of the event, states, “No one is obligated to sell anything. Community members are welcome to come and test their jewelry and find out how much it is worth. If they choose to sell, they can! If not, no problem.”

The Ridge Forensics team is raising funds to help offset the costs for fourteen students who qualified to attend the National Forensic League Championships in Dallas, TX, and thirty-four students who advanced to the National Catholic Forensic League Grand Nationals in Washington, D.C. The team achieved its tenth consecutive New Jersey State Championship Title this year.

Questions can be directed to David Yastremski at dyastremski@bernardsboe.com or by calling the school at (908) 204-2585.
