

OUR PHILOSOPHY

We believe that a music education should cultivate the whole child, gradually building many kinds of literacy while developing intuition, reasoning, imagination and dexterity into forms of expression and communication. A musical education is for all students, regardless of background, talent or disabilities.

Strictly Strings is a private camp under the direction of Jennifer Curran and Kathy Kowalewski. Although it is consistent with the mission of the Bernards Township Board of Education, it operates as a separate entity from Board of Education programs.
