

Nominate a Teen for LMTI Leadership Conference

Do you know a young person who has the potential to make a positive difference in Bernards Township—and the world? The Bernards Township Municipal Alliance Against Substance Abuse is now accepting nominations for the Lindsey Meyer Teen Institute (LMTI) Summer Leadership Conference, which will be held August 22nd – August 26th, 2011. The Municipal Alliance is offering a scholarship of \$250 for each participant who attends the Summer Leadership Conference. **If you wish to nominate a teen to be part of LMTI, please contact Kathy Kelly at (908) 204-3068 or kathy.kelly@bernards.org.**

The goal of LMTI is to provide students from across New Jersey with the tools and knowledge necessary to develop and successfully implement peer-focused prevention strategies to reduce risk factors in their communities. LMTI kicks off with a five-day Summer Leadership Conference at Camp Ralph Mason in Hardwick, NJ. The Ridge group will continue working together throughout the school year using the skills they learned at the conference to develop prevention related projects in Bernards Township.

During the conference, students experience dynamic nationally-renowned speakers, participate in team-building challenges, and become motivated to create change in their communities and schools including, but not limited to, the prevention of alcohol, tobacco, and other drugs. This unforgettable experience is empowering and most of all fun for all students.
