

5th Grade Celebration!

Don't miss out on the opportunity to share your favorite photos of your child during their very important years at Liberty Corner School. We will be decorating the bulletin board located in the lunchroom behind the corner store from May 9th until the last day of school! Our goal is to acknowledge their outstanding experience here at LCS and the lasting friendships that have been made. The first two weeks will be memories of K-2 and the last two weeks will bring in the more current grades 3-5. We will also be using photos captured through the years from our school photographer, Betsy Aigner.

Please drop off your photos directly to the school office—look for a shoebox marked 5th grade celebration bulletin board photos or send in via backpack with your child. Please mark your sealed envelope with my name: **Maureen Johnson/Bulletin board photos**. We are trying to keep these photos a surprise for our kids. **Remember to mark the grade of when the photo was taken** of your child on the back of each photo. This will help us to sort these pictures correctly.

One last reminder: please send in copies or duplicates of photos since your photos will not be returned.

We look forward to building the excitement of our children moving on to William Annin Middle School.

Please send your photos by May 2nd.

Attention:

Maureen Johnson
