

The Celebrate NJ! School Program engages students in the activities of research, reading, and writing as they learn about many aspects of New Jersey history, people, places and events. The program is a webquest-based project in which fourth grade students from all over New Jersey are welcome to research and submit their own newspaper articles in various New Jersey categories.

From over 11,000 students enrolled in the program, and over 1,200 articles and class projects submitted by teachers from nearly every county in the state.....

I am pleased and excited to announce the **2011 Celebrate NJ! School Program "Best of the Best" Award Recipients** from Liberty Corner:

**Sarah da Silva and Chris Pan**

All participants will be invited to a Somerset Patriots game complete with a parade to honor their achievements. Sarah and Chris will have their winning article published in the Celebrate NJ! Online newspaper, at <http://www.celebratenj.org/>

Sarah and Chris will be attending an awards event Tuesday, May 3<sup>rd</sup> at RVCC Conference Center from 7-8:30pm.

**Who May Attend?** Friends, families and classmates may attend to join in the celebration. The venues have plenty of seating so everyone is welcome to attend!

**Somerset Patriots Baseball Game:** To honor ALL of the participants of this program there will be a special Somerset Patriots Baseball Game on Wednesday June 15<sup>th</sup> at 7:05pm. There will be a pre-game parade for the students. The school that gets the most attendees at the game will earn a visit from Sparky! [Tickets](#) are deeply discounted only \$9. We'd love to see you at the game!

Thank you for joining with me in celebrating these student's achievements!
