

Fifth Grade Car Wash a Huge Success!

This year's Fifth Grade Car Wash was a tremendous success! On Friday, October 8th from 3:30 pm until 5:30 pm in the LCS parking lot, Fifth graders washed and dried cars to raise money for The Wellness Community (TWC) located in Bedminster, NJ. TWC provides free support and counseling services to families battling cancer or those who have lost a loved one to cancer.

In just over two hours, we raised \$1,539.57 for The Wellness Community! This car wash would not have been a success without the help of many volunteers:

A big thank you goes out to the following people:

**Mary Carpenter-Kupsch and Michele Rishty (Car Wash Co-Chairs)
Dr. Pecoraro and Mr. Oliver
All the Fifth grade parent volunteers
All the LCS teacher volunteers
LCS Fire Department for bringing their truck!
All the LCS Fifth graders!!!**

Finally, a big thank you to all LCS families and neighbors for donating supplies and for bringing their dirty cars to our car wash! Thank you for your support of this very worthwhile cause!
