

LCS World Cereal!!

Liberty Corner School is partnering with the Somerset County Food Bank to support their “Operation Back Pack” Program. This program provides 74 Somerset County students with needed nutritious food items for the weekends. The program hopes to expand to assist an additional 100 students with their weekend food needs!

Here’s a way your children can demonstrate that they are “bucket fillers.”

Each grade has a World Cereal Team “Bucket” in the LCS lobby

**Please Donate food items from:
October 11th-October 22nd**

Place food items in your Team’s bin. The team with the most items will be the World Cereal Champion!

The food bank has a great need for these items and they really appreciate our help. They respectfully ask that we please only donate the items on the list below to assist with this specific project!

cut along the dotted line to take your shopping list to the grocery store!!!!
