

VOLUNTEER OPPORTUNITY

The LCS Multicultural Committee

Dear LCS Families,

The Liberty Corner School Multicultural Committee is made up of a group of teachers who are dedicated to providing our students with an education that embraces diversity and promotes multicultural perspectives so that they are prepared for world citizenship and the global marketplace of the 21st century. Each year, the Multicultural Committee will be choosing a part of the world to focus on with the students to help them explore the regions' cultures, traditions, and languages. This year our focus will be on East Asia (China, Japan, Korea, Thailand, Vietnam, etc).

In the spring, we will have a special assembly to bring our multicultural study alive for the students. Prior to the assembly, we will be teaching students about the daily life in the East Asian countries and discussing cultural similarities and differences.

In order to give the students a more authentic viewpoint, we would like to tap into one of our richest resources—our community. We are looking for individuals who have an East Asian background or have spent long periods of time in East Asian countries and have interesting experiences to share. These parents and/or family members are invited to prepare a kid-friendly cultural presentation highlighting information about an Asian country and their connection to it. Some topics to present are: the country's music, dance, dress, food, art, and recreation. Presentations should involve visuals such as artifacts, photographs, or books and may even include a brief Power Point presentation or planned activity for a class to take part in.

As a committee, we are determined to provide our students with an education that is rich in diverse cultural viewpoints. We would be honored to have the LCS family community join us in achieving this goal. If you are interested in participating and are available during school hours, please fill out the form below and return it to either your child's teacher, the music teacher (Miss Dory), or the art teacher (Miss Bynoe), depending on where you would like to present. Selections will be based on the number of responses received and the number of presentations needed for each grade level.

Thank you,

The LCS Multicultural Committee
