### **LCS Pride Club sponsors... “Marching into Spring with a Friend”**

**Why:** To celebrate the spirit of friendship, in memory of our friend and teacher, Kathy Bubser

**When:** Wednesday, March 30<sup>th</sup> (rain-date, April 1st) at 10:00 am.  
Students and teachers will enjoy walking around the playground with a friend.

**Where:** The LCS playground

**Who:** LCS students and staff

\*Prior to the walk, teachers will lead a discussion about friendship in their classrooms during Morning Meeting times. The students will then create a class poster that signifies what friendship means to them. These expressions of friendship, will be posted on the playground, for all to enjoy during the walk.

\*\*Everyone will wear the color yellow, which signifies friendship.

\*\*\*LCS Pride Club will create “March is Friendship Month at LCS” posters, and display those posters, and friendship quotes, throughout the building.

\*\*\*\***Parents,**

**You can get involved as well! During the Book Fair, you will have the opportunity to purchase books in memory of Mrs. Bubser. As a tribute to her helping nature, these books will be donated to students who don’t have the benefit of their own books.**
