

SWEETHEART DANCE 2011

THANK YOU FOR YOUR DESSERT RESPONSE

We are still looking for help with baking some of our desserts for the event. Please respond via email to let me know what you would like to donate. Please remember not to use any nuts in your baking.

We still need a few volunteers for:

Sugar Cookies (5+ more bakers)

Brownies (5+ more bakers)

Chocolate Covered Pretzels (5+ more bakers)

All treats can be homemade or store bought.

The treats above should be made and dropped off in disposable trays the day before, 2/10 to **100 SOMERVILLE ROAD**, (Tracey Byrne). We will assemble all of these desserts into platters for our event.

We need more volunteers for:

Chocolate Covered Strawberries (5+ bakers) (2 -3 doz. baker)

***You will need to pick up a tray from me ahead of time so that all our trays look the same the night of the event.

The strawberries need to be dropped off the morning of the event 2/11 by 11:00AM to **178 LOCUST LANE**, (Roe Schottenfeld).

Please note that we have some dairy free children. If there are any children that need a special dessert set aside in their name, please feel free to contact me. You can label a container for the event and then let your child and date know to look for it in our food room. We hope by eliminating nuts and dairy that most girls will be able to enjoy our delicious treats. There will be fruit platters served as well.
