

Are you a Target Shopper?

Help Liberty Corner School each time you use your **Target** Charge Card!

Whether you visit **Target** once a week, once a month or once a year, there's a wonderfully simple way for you to help raise funds for LCS. All you need to do is use your **Target Visa** or **Target REDcard**, and a percentage of the amount of each purchase you make goes back to our school in the form of cash donation from **Target** twice a year. This money will then be used for items that benefit Liberty Corner School. If you already have a **Target Visa** or a **Target REDcard**, please visit target.com/tcoe or call 1-800-316-6142 to designate Liberty Corner School. **Reference our school ID# 72339.**

If you do not currently have a **Target Visa** or **Target REDcard**, please consider applying for one in order to help raise funds for LCS.

Help us help our school through the **Target Take Charge of Education** program.

If you have any further questions, please contact Linda Picardo at linnyp@optonline.net.
