

Counselor's Corner December 2010

Dear Parents and Students,

I wanted to thank you very much for all your well wishes and I am excited to be working with everyone again. I would also like to thank Dr. Borin for all her hard work with the students. She is amazing! Throughout the month of December I will be working individually with students and will be in some classrooms conducting lessons. Lunch groups will begin in the month of January, so if you would like more information on these please check out my website or feel free to contact me through email or by phone. Thank you again for everything that you do!

Sincerely,
Mrs. Anne Duque
