February 2011

Dear Parents and Guardians,

In March we will be celebrating "Music in Our Schools Month," which is celebrated in schools across the U.S. As part of "Music in Our Schools Month," the students will be learning about people involved with music outside of music class, such as other teachers, family members, and other people in the community. I would like to invite any parents and guardians of the students who play instruments to visit your child's music class and share your first-hand knowledge about playing the instrument and perform on the instrument for the class. If you do not play an instrument, you may want to teach the students a song or dance, or talk about a favorite composer or musical artist. Guest presentations should last approximately 5-10 minutes. Visitors should be prepared to talk about what music (or their musical specialty) means to them. On the day that you present to the class, please sign in at the office and come to **room 147**. Please do not go to your child's classroom..

Please look at the schedule below to see when your child has music. If you have more than one child and would like to visit each of your children's classes, please fill out a separate form for each child. Leave a message on my voicemail (ext. #147) or send an email (mkagel@bernardsboe.com) if you have any questions.

Sincerely,

Michelle Kagel
Music Teacher

Music in Our Schools Month

Please fill out the form below and return it to Michelle Kagel by Friday, February 18th.

Visitor's Name:
