June 10, 2011

Dear Parents and Students:

Please be aware of the following changes in the administration of the Advanced Placement (AP) exams for 2012.

Beginning in May 2012, Ridge High School will not administer Advanced Placement exams for subjects not taught in the district. This is due to insufficient testing facilities and a continual shortage of proctors. Additionally, students who are not residents of Bernards Township will not be permitted to test at Ridge High School.

We anticipate being able to offer the following exams next May (subject to revision):

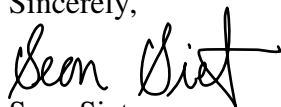

AP Biology	AP Macroeconomics
AP Calculus AB	AP Physics B
AP Calculus BC	AP Physics C: Electricity and Magnetism
AP Chemistry	AP Physics C: Mechanics
AP English Language and Composition	AP Psychology
AP English Literature and Composition	AP Spanish Language
AP Environmental Science	AP Statistics
AP European History	AP Studio Art
AP French Language	AP United States Government and Politics
AP Italian Language and Culture	AP United States History
AP Latin: Vergil	

Students who wish to take AP exams in other subject areas may contact College Board's AP Services for a list of local high schools that may offer the exams (877-274-6474).

A complete list of Bernards Township AP Policies and Procedures can be found on the Ridge High School's Guidance Department's AP Web site:

http://www2.bernardsboe.com/Guidance/Advanced_Placement_Testing.aspx

Sincerely,

Sean Siet
Director of Curriculum and Instruction
