Graduation Ushers

Each year we offer the position of Graduation Usher to the 7th grade siblings of our 8th grade graduates. Not all available positions were filled so we are now offering the several remaining positions to 6th grade siblings of graduates. Ushers hand out programs at the auditorium doors and assist the administrators by carrying the diplomas on to the stage. Students serving as ushers do not need a ticket to attend graduation. This can be helpful to families as we are only able to offer 3 tickets **per family**.

Ushers only serve at the ceremony of their graduating sibling. They are to arrive one half hour early, the same as the graduates.

If you are interested, please have your 6th grader return this form to the **main office** by **Wednesday, March 30th**. Names of those returning their form to the **main office** by this date, will be entered into a lottery for the remaining positions.

If your child is selected, you will receive notification prior to the ordering of graduation tickets.

Return this form to the **main office**.

Yes, my 6th grader would like to serve as a graduation usher.
