

Dear Parents, Guardians and Students,

As part of our continuing effort to deliver the highest quality service to the students of Bernards Township, we rely on feedback from our students and their families. This takes a variety of forms, such as interacting with students in the cafeterias, meetings with the Student Councils in the individual schools, and presentations to parent groups. On behalf of the District, ARAMARK Education Food Service at Bernards Township Schools is conducting a web-based survey of middle and high school students. The intent of the survey is to better understand the needs of our students and integrate the information and suggestions into our food service program.

The survey, called **Student ViewPOINT™**, is located at:

www.studentvp.com/BTSD

The survey results will help us identify:

- Student preferences for menu selections
- Improvements which students would like to see in the café
- New specials that can be offered during lunch
- Other recommendations from our customers

The survey is open for student input from March 7 through April 6 and we encourage all students to participate. All survey participants can bring the receipt provided at the end of the survey to the cafeteria to redeem a free freshly-baked cookie (reduced-fat, whole grain as always!)

Please contact the Food Service office at 908-204-2585 x132 with any questions or concerns.

Best,

Deb Smith
General Manager
