

Explorer Club News!

William Annin's Explorer Club will be opening for Spring course registration Monday February 8th and closing Monday February 15th. The mission of this club is to provide an environment for fun, challenging and exciting courses for new learning that capitalizes on the multiple intelligences of children.

This club will consist of various mini unit courses taught by staff members after school from 2:30 to 3:45 p.m on Mondays, Tuesdays, or Thursdays. Courses will meet for eight sessions, each 1 hour and 15 minutes long. The cost per course is \$85.00 dollars. These courses will offer extra-curricular club opportunities in the areas of art, fashion, wood working, fitness and much more. Enrollment will be on a first come, first serve basis; there are no guarantees for placement. The course maximum for most courses is twenty students. All parents will receive written notification of course enrollment status. If a course does not meet the minimum enrollment (10 persons) a reimbursement will be issued. Courses will start to run March 1st. Thank you for your time and I am extremely excited to be a part of this program. If you have any questions feel free to contact me via e-mail, aehtgott@bernardsboe.com.

Sincerely,

Aileen Ehtgott
Annin Explorer Club Coordinator
