

Welcome back to school! We are kicking off the new school year with a short and sweet Mixed Bag Designs Sale. Mixed Bag Designs has created and designed great-looking, eco-friendly, and affordable, reusable bags. They have tons of colors, patterns, and sizes -- a bag for everyone! The bags are made from durable polypropylene and hold up 50 lbs. And, each bag has the potential to eliminate hundreds, if not thousands, of the throw-away-plastic-bags over its lifetime.

Take a moment to review the fall catalog at [http://issuu.com/mixedbagdesigns/docs/mixed bag designs fall 2010 fundraiser catalog](http://issuu.com/mixedbagdesigns/docs/mixed_bag_designs_fall_2010_fundraiser_catalog). Check out the newest products – “man bags” in guy-friendly colors, laptop cases, iPhone covers, zip cases, and holiday bags.

Bags are on display at WAMS and will be available for sale at Back to School Night, September 22, 2010. An order form and price list is attached to this week’s Friday Folder. Please return order forms to the PTO MAILBOX, with a check payable to WAMS PTO, no later than September 24, 2010. Questions? Email Chris Corrigan at [cpcorrigan@optonline.net](mailto:cpcorrigan@optonline.net). Thanks for your support!
